TWENTY-SECOND ANNUAL MEETING
OF
The Presbyterian Hospital Society
OF THE
CITY OF CHICAGO

CHICAGO, April 10, 1905.

The annual meeting of the Society was held, pursuant to call, and notice duly given, in the Chapel of the Hospital.

Those present were Mrs. Hamill, Mrs. Ingraham, Mrs. Welling, Mrs. Hibbard, Mrs. Day, Miss Benton, Rev. Dr. Shaw, Rev. Mr. McCaughan, Rev. Dr. Morison, Drs. Hyde, Smith, Montgomery, Bassoe, Graham, Howard, Messrs. Dent, Hamill, Welling, Wheeler, Day, Titus, Douglass.

Mr. Wheeler, Vice-President of the Board of Managers, in the absence of Mr. Hill, the President, presided.

On motion, Mr. Douglass, Secretary of the Board of Managers, acted as Secretary.

Mr. Titus, Treasurer of the Board of Managers, read his annual reports for the Hospital, and also for the School of Nurses, which on motion were referred to the Auditing Committee for their report to the Board of Managers.

Dr. Howard, Superintendent, made a verbal report.

Annual reports were ordered printed and distributed as usual.

The following members were elected as the Class of 1909, viz.: John C. Welling, Thomas Dent, Edgar A. Hill, Everett Sisson and Nelson B. Holden. Meeting adjourned.

W. A. DOUGLASS, *Secretary*.

TWENTY-SECOND ANNUAL REPORT

OF

The Presbyterian Hospital.

Owing to the serious illness of our President, he was unable to present his report to the annual meeting. There is therefore no President's report for this year.

Extract from the regular Monthly Meeting of the Board of Managers, held June 19th, 1905.

"The following motion regarding our late President, Edgar A. Hill, was unanimously adopted by a rising vote:

The Board of Managers of the Presbyterian Hospital desire to express their appreciation of the worth and services of their late President, Edgar Arnold Hill. His connection with the Institution during the last eight years has been very close indeed. For seven years he filled the office of Treasurer with great benefit to the Hospital, and great satisfaction to the Board.

During these years, owing to various causes, several occasions arose when his warm heart, clear head and generous hand were of untold value.

His plans for the enlargement of this beneficent work so close to his heart were frustrated by the painful illness with which he was attacked shortly after his election to the position of President.

We shall sadly miss his genial presence, wise counsel and encouraging example in striving to extend our usefulness, as he wished.

We would convey to those who were nearest and dearest to him our sincere sympathy in their sad loss, feeling that although we shall miss him much, they will miss him as no others, however closely associated with him in the kindest philanthropies, ever could."

TWENTY-SECOND ANNUAL REPORT
 OF THE
 BOARD OF MANAGERS
 OF
The Presbyterian Hospital
 OF THE
 CITY OF CHICAGO

To the President and Members of the Board of Managers of the Presbyterian Hospital.

GENTLEMEN:—The twenty-second annual report of the Presbyterian Hospital for the year ending March 31st, 1905, is herewith submitted.

There have been admitted to beds in the Hospital 2,952 persons, or 252 more than last year, this being in addition to 933 persons admitted as attendants (relatives of patients permitted to stay in the Hospital) making a total of 3,885 persons taken care of in the Hospital.

The establishment of an Out Obstetrical Department during the year has been of decided benefit to the poor of the city, as we now send one of our physicians and a nurse free of charge to any one within the city limits about to be confined who is unable to pay for a physician. In this department there have been 61 calls and 39 confinements. This department was established about the first of September, 1904.

With the gift of Mrs. Yentzer Derr, the Ladies' Board have caused to be erected as a memorial to the generous giver, two solariums on the fourth and fifth floors. The patients while in bed can be moved out into the sun, also giving the children a place to play in the sunshine.

The Hospital was presented with one of the finest ambulances in the city by Mr. S. C. Postlewait. The old one, practically useless, was sold to the Moxley Livery Company, who put it in thorough repair and placed it at the disposal of the Hospital, thus giving the Hospital two ambulances for regular

service. An improvement in this service has been effected by sending a doctor with every ambulance trip, and when needed, a nurse.

During the year a new drinking water system has been completed, piping ice cold, purified water to every floor. There is no expense to this service other than the initial cost of \$180.00.

By the expenditure of \$500.00 for new laundry machinery, we are able at an additional cost of \$250.00 per month to do all of the laundering for the Training School, for which the Training School formerly paid \$500.00 per month.

Our telephone service has been greatly improved by the installation of a private exchange with three trunk lines and twenty-six terminals, connecting all parts of the Hospital and Training School.

The old system of bell calls is being replaced with silent colored electric signals. These signals are placed in all corridors in full view of the nurses on duty, and are connected with every room and ward bed.

Miss Caroline M. Riedle, who for seventeen years was matron of the institution, resigned April 1st, and has sought a new field in Southern California, carrying with her the best wishes of all her old associates and all who knew her.

I regret to have to report the great loss the Hospital has sustained in one of its most loyal and generous friends, Mrs. Harriet A. Jones, who entered into rest February 10, 1905.

I beg leave to say that whatever improvements have been made in the administrative service of the Hospital would not have been accomplished without the cordial support of the President and members of the Board of Managers.

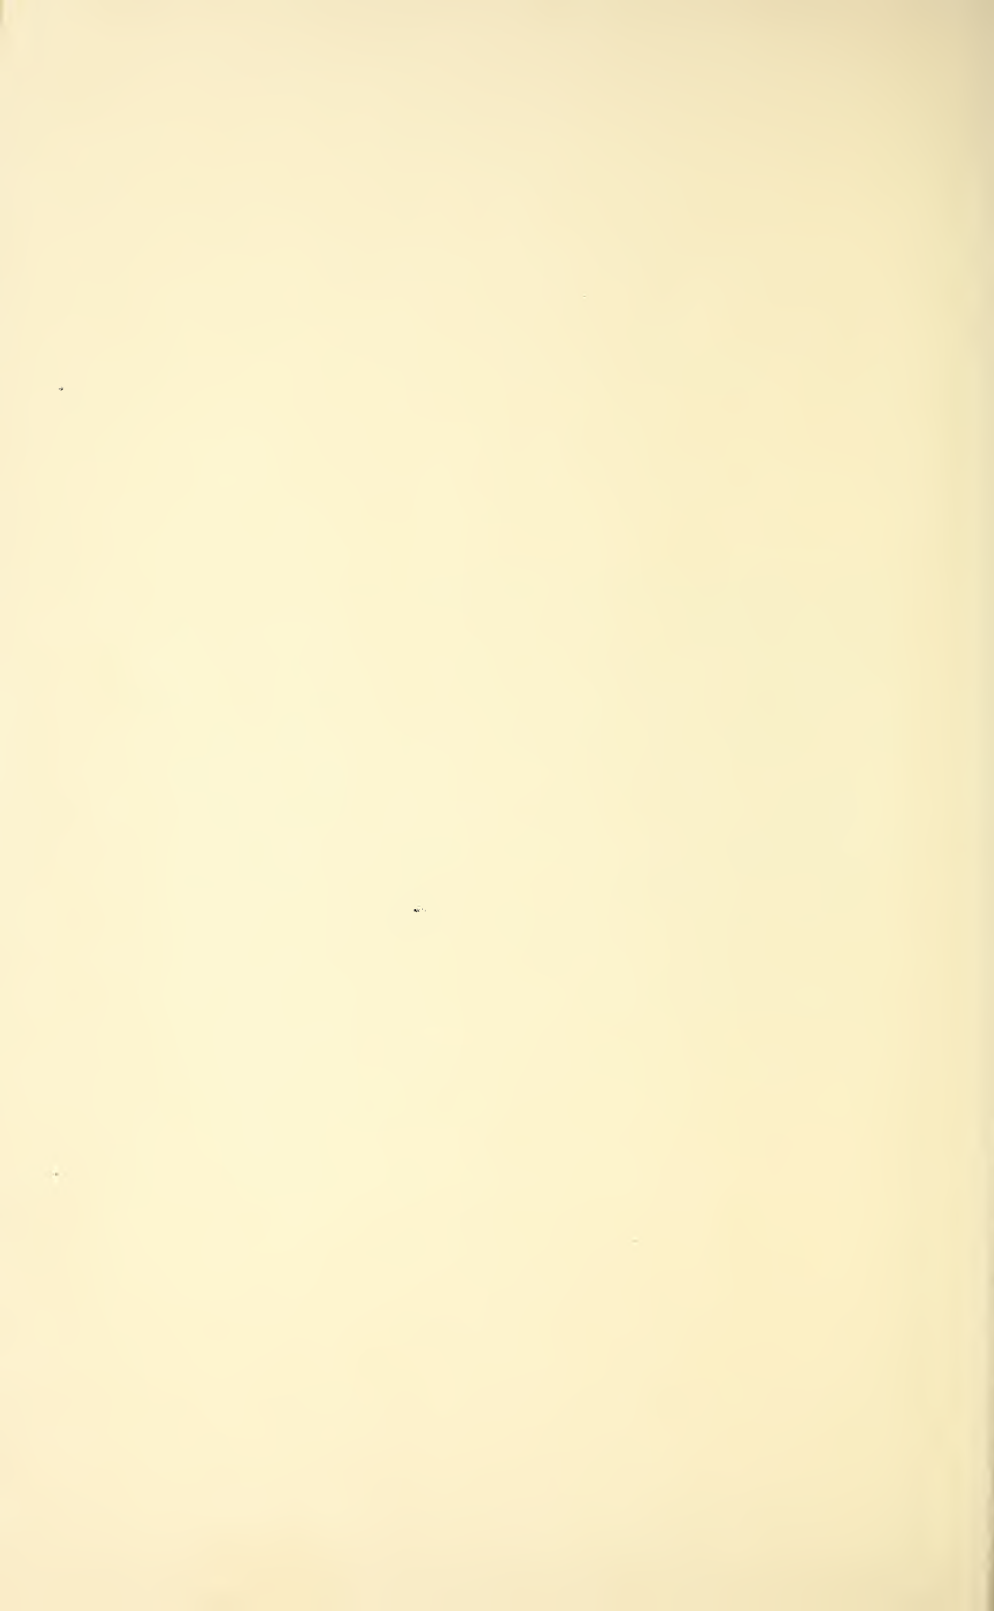

I wish to express my grateful appreciation for the hearty co-operation of the members of the Staff; also to the internes and other officers of the Hospital, to whose loyal support much of the success of the year is due.

Respectfully yours,

HENRY W. HOWARD, M. D., *Superintendent.*

SECOND ANNUAL REPORT
OF THE
School for Nurses
OF
THE PRESBYTERIAN HOSPITAL

SECOND ANNUAL REPORT
OF THE
School for Nurses
OF
THE PRESBYTERIAN HOSPITAL

CHICAGO, April 10, 1905.

Mr. President and Gentlemen of the Board of Managers:

I have the privilege of presenting the second annual report of the School for Nurses connected with the Presbyterian Hospital.

The growth of the School, although necessarily slow, has been steady, bringing each six months its new class of student nurses into the Hospital and into the Preliminary department; accomplishing its scheduled course of instruction in practical and theoretical work; nursing the sick of the Hospital; providing the required vacation for each pupil; taking care of its sick members; disciplining its unruly ones; and filling, day by day, the many and varied duties for which and by which it exists.

The number of nurses applying for post-graduate work being less this year than last, and, on account of the policy of somewhat rigid elimination, our own classes remaining small, it has been necessary at times to employ graduate nurses to assist in the work of the Hospital. With the increase in the number of beds, the additional work of housekeeping undertaken on the floors, and the outdoor service added to the maternity department, the average number of nurses the School has been able to place on duty in the Hospital has been inadequate—not allowing of that quality of nursing it is ambitious to provide for the institution, and making too heavy demands on the strength of those on duty.

The daily average number resident in the Home and on duty in the different departments of the School is:

IN THE HOSPITAL	
Supervisors	2
Head Nurses	11
Post Graduates	22
Salaried Night Nurses	3
Pupils	24
	— 62
OFFICERS AND INSTRUCTORS	
In the Home	4
In Central Free Dispensary	1
Preliminary Class	24
	— 29
Total	91

The number on duty April 1st, 1905, is:

IN THE HOSPITAL	
Supervisors	2
Head Nurses	11
Post Graduates	17
Salaried Night Nurses	0
Pupils	47
	— 77
OFFICERS AND INSTRUCTORS	
In the Home	4
In Central Free Dispensary	1
Preliminary Class	19
	— 24
Total	101

Although we have had our share of minor ailments during the winter months, there having been five hundred and seven days of illness among the members of the household, we are fortunate in having to report only one case of serious illness, this being typhoid fever contracted by a member of the preliminary class.

Fifty-seven hundred and six days of special nursing has been accomplished in the Hospital by graduate nurses and forty-five days by pupils of the School.

Several changes have taken place in the staff of the School. The resignations of Miss Cross, Assistant to the Principal, and of Miss Darling, Supervisor of the Central Free Dispensary, were accepted with regret, both feeling the necessity of giving up active work for a time.

During this year the pupils of the preliminary class have been assisting in the district and dispensary work of the Olivet Settlement. A supervising nurse has been placed in charge of the work, under whose instruction and supervision some of our pupils spend several hours daily.

At the close of our second year we wish again to express gratitude to our many friends; to the lecturers and instructors of the School; to the staff of the Rush Medical College; to Dr. Herrick, who has acted as physician to the School and to those gentlemen who have frequently been called upon for professional assistance; to the staff and officers of the Presbyterian Hospital; to the Visiting Nurse Association of Chicago, through whose courtesy our pupils receive instruction in district nursing; to the Olivet Settlement; to the staff of the Central Free Dispensary and to the donors of the School.

We wish also, if we may, to express to the members of the Board of Managers and of the Ladies' Aid Society our appreciation of their generous and unvarying interest in all matters affecting the School and its members.

Respectfully submitted,

M. HELENA McMILLAN.

REPORT OF LIBRARY COMMITTEE

The Library Committee has held ten meetings during the past year, with an average attendance of six. Largest number present at any one meeting, nine; smallest number one.

Each month all book-cases in the main building have been refilled, and frequently those in the outside wards. We have also covered 1228 books.

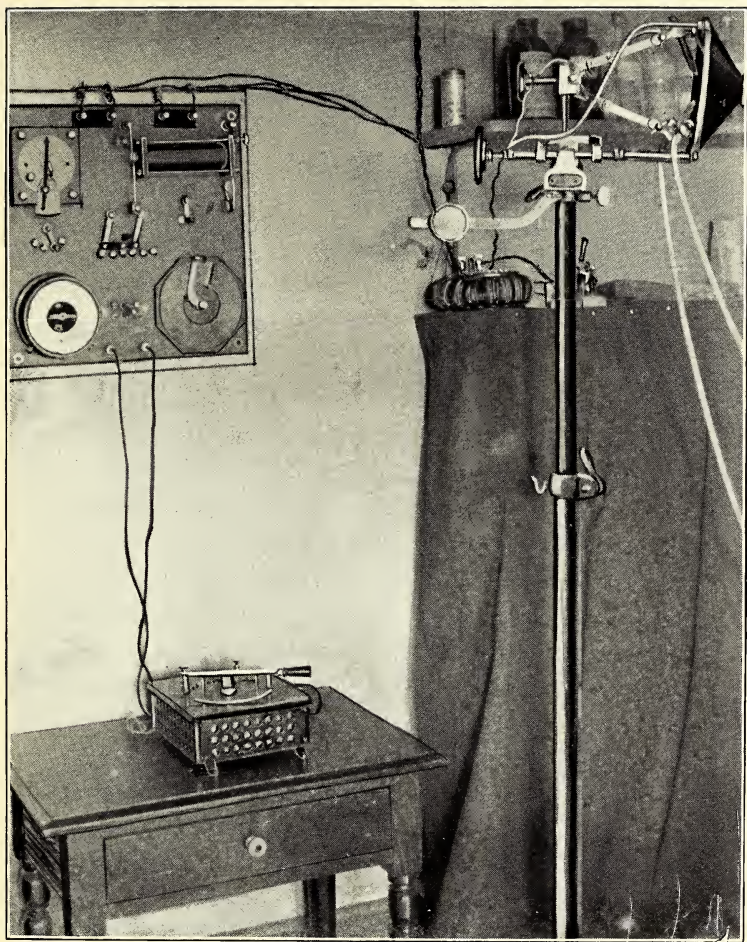

From various sources we have received one hundred and forty-nine books, many of them new, besides magazines, children's books, papers, etc.

To the Ladies' Aid Society for their annual gift of \$15.00, and to the many members of the Board who have so kindly remembered us from month to month, we wish to express our gratitude.

With a larger library better work can be done, and it is the hope of your Committee that during the coming year some way may be opened by which our work may be enlarged.

Respectfully submitted,

MRS. FRED B. CARTER, *Chairman.*

LONDON HOSPITAL LAMP AND WALL PLATE
FOR GALVANIC AND FARADIC ELECTRICITY

REPORT OF THE VISITING AND DEVOTIONAL COMMITTEE

Some representative of the Visiting and Devotional Committee has been at the hospital nearly every week during the year, and often two have been on duty at the same time. These visits have been distributed throughout the institution.

The Committee has endeavored to carry cheer, encouragement and sympathy to the patients, spending time especially with those who were lonely and despondent.

Some of the ladies who reside in the suburbs have cultivated flowers for this work, and repeatedly during the Summer and Fall have distributed them throughout the hospital. Often an attractive and helpful booklet or pleasant clipping has been given to help while away a moment's pain.

The scriptures have been read and prayer offered as opportunity presented, an effort always being made to direct the thought to Him, who is our refuge and strength at all times.

We have been pleased to hear from the patients and their friends many expressions of gratitude for the skillful treatment and excellent care received, as well as appreciation of the food and service.

We have also met with universal expressions of satisfaction in Miss Patterson's work, which meets a deep and general need in the human heart when in sorrow and suffering. The daily services are looked forward to with continual interest and are greatly missed if for any reason they are omitted.

Respectfully submitted,

ANNA E. WING,
Chairman of the Committee.

REPORT OF THE MISSIONARY

The Christian work carried on during the week in the hospital closes its fourteenth year in July, 1905.

During the last year two hundred and forty-three meetings have been held, the attendance varying according to the number of convalescents in the house, the smallest number being six and the largest thirty. These services consist of Gospel songs, prayers and short Bible expositions and, according to the testimony of the patients, have given much help and comfort. Those visiting the hospital who have spoken in these meetings are:

Rev. Mr. McCaughan, of the Third Presbyterian Church, Rev. Mr. Tinwall, of Swedish Baptist Church, Rev. Mr. White, of the Union Park Congregational Church, Rev. Mr. Eilliott (out of town) and Miss Wing, of the Ladies' Aid Society of the Hospital.

There have been 1450 visits made upon individual patients with the object of trying to help and cheer in any way possible.

A children's meeting has been held each week when possible, and the children taught Bible verses, hymns, and Bible stories. The great majority of the children in these meetings have been under five years of age, so that not much definite work could be done.

There have been ten adult conversions during the year, most of the work having been done among professing Christians.

There have been distributed to those who desired them 4 Bibles, 50 New Testaments, 100 Gospels of John, and 45 of the Moody Colportage books.

In connection with the hospital work have visited and addressed the following organizations:

First Presbyterian Church Sunday School, Fullerton Avenue Presbyterian Sunday School, Church of the Covenant Christian Endeavor Society and the Ladies' Aid Societies of the following Presbyterian Churches:

Central Park, Third, Forty-first Street, Normal Park and Hyde Park.

Respectfully submitted,

CONTENT PATTERSON,
Hospital Visitor.
